

## WILLOUGHBY IS NEW TREASURER

Members present at our meeting for June selected David F. Willoughby as our new treasurer. Dave replaces Charles H. Gerdes who has resigned as treasurer because of the demands of his employment.

Willoughby is all railfan from the word go. He is a member of the La Mesa Model Railroad Club as well as PSRMA. Dave has also been in charge of the shay donation fund, and has done a good job of it. Good Luck Dave in your new office.

## TWO BOARD MEMBERS NEEDED

Under the provisions of the by-laws which were accepted at the June meeting, two regular members must be selected to represent the membership on the board of directors. Know of any one who has the museum at heart. Think about it and then come to the July meeting on July 16.

That is when they will be elected, so get some one in mind to nominate.
